WORK, FOCUS, MEET & RELAX

Un sistema per creare molteplici soluzioni nell'ambiente di lavoro, caratterizzato da un'elegante essenzialità e da una totale vivibilità. Un prodotto di alta qualità, basato su elementi coordinati ed allo stesso tempo dotati di una propria personalità. Uno strumento flessibile per risolvere qualsiasi situazione: ambienti operativi o direzionali, spazi meeting o break areas. In una parola, k-word.

A system meant to devise an array of solutions in the working environment, featuring elegant essentiality and absolute liveability. The product is top quality and based on coordinated elements which at the same boast a personality of their own. This is a versatile tool suitable to any situation: operative or directive areas, meeting rooms or break areas. In one word, k-word.

k-word — La cura dedicata alla realizzazione di k-word si percepisce in tutti i sensi, e da ogni punto di vista. Gli elementi che compongono il sistema sono free-standing ma facilmente integrabili, con finiture a 360° su tutti i lati: garantiscono così soluzioni tanto versatili quanto perfette esteticamente, impiegati da soli o in composizioni multiple. Gli spessori ridotti e le strutture in tinta con i piani infondono un senso di dinamismo e leggerezza.

k-word — *The painstaking care devoted to the manufacture of k-word is evident at all levels and from all standpoints. The elements of the system are free-standing though easy to integrate with 360° finishes on all sides: thus they guarantee versatile and aesthetically perfect solutions, both individually or in multiple arrangements. The reduced thickness and the frames matching the tops give a sense of lightness and dynamism.*

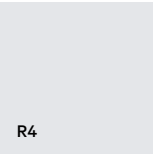

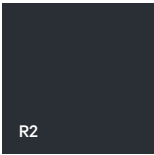

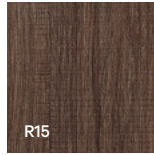

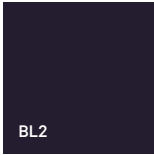

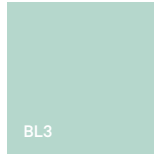

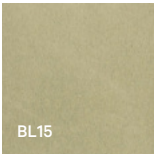

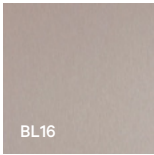

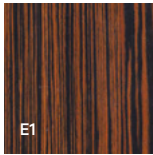

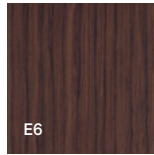

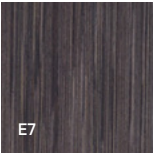

Le paretine, caratterizzate dalla modularità in altezza, sono disponibili in versione autostabile o agganciate alle scrivanie. Possono essere facilmente connesse fra loro a creare qualsiasi aggregazione, e accessoriate con canali passacavi in corrispondenza della caratteristica fascia in colore e pannelli fonoassorbenti a diverse altezze.

The partition walls, which are characterised by modularity in height, are available in a freestanding version or connected to the desks. They can be easily arranged to create any aggregation, and equipped with cable raceways at the characteristic coloured stripe and with acoustic panels of different heights.
