k box non è un semplice box, ma un mobile d'arredo, un sistema completo di librerie modulari e sovrapponibili. Moduli a giorno con funzione di espositore, box portaborse per la custodia degli oggetti personali, fasce d'accento integrate e coordinate come cromatismo, vani faldonabili ad elevata capienza e un'ampia gamma di finiture e materiali.
k box is not a simple box, but an item of furnishing, a complete system of modular stackable bookcases. Open modules with display function, box units for storing personal items, integrated, coordinated accent strips, high-capacity filing spaces and a wide range of finishes and materials.

- codifica delle finiture
finishes codes**
- Anteporre alle sigle sottostanti i disegni le codifiche identificanti le finiture in categoria L1, L2 e L3. La struttura dei contenitori è disponibile in finitura bianco nuvola R5 (cod. U2000) o grafite R2 (cod. U2004).
Per ogni ulteriore indicazione inerente la codifica consultare il listino prezzi.
Place the codes identifying finishes in category L1, L2 and L3 before of the codes under the drawings. The frame for the cupboards is available in R5 white cloud finish (cod. U2000) or R2 graphite (cod. U2004). For all additional code-related identification, consult the price list.
