/MANAGER SYSTEM**

MANAGER CHROME+WHITE

Rigore formale e cura dei dettagli, nuovi materiali e prestigiose cromature. Con Click Manager un nuovo protagonismo fatto di quotidianità e comfort trasforma l'ufficio da luogo di lavoro in rappresentazione di un nuovo lifestyle.

Formal severity and an attention to details; new materials and prestigious chromium-plated finishings. With Click Manager, there is a new self-advertisement made up of everyday life and comfort that transforms the office from a work place into the representation of a new life style.

MANAGER EBONY+CRYSTAL

Attenzione al design e alla ricerca dei materiali con la capacità di guadare oltre il proprio orizzonte per trovare nuove idee. Click cerca e propone soluzioni evolute.

Click searches out and proposes advanced solutions. Attention is given both to the design and to the search for materials, evidencing an ability to go beyond its own horizons in order to find new ideas.

CLICK EBONY MANAGER SYSTEM

Piani ampi e lunghe consolle, l'ebano e l'acciaio cromato, travi sottopiano che nascondono, cablano, la necessaria tecnologia. La flessibilità della gamba a ponte disegna soluzioni sempre diverse ma coerenti. Preziosi sottomano in pelle personalizzano i piani.

Spacious work tops and long consoles; ebony and chromium-plated steel, underlying beams that conceal, with the use of cabling, the necessary technology. Varying dimensions for the bridge legs enable different furnishing solutions while retaining the same coherence. Invaluable leather pads enrich the work tops.

CLICK EBONY NEW MATERIAL

Le scrivanie direzionali privilegiano l'eleganza delle forme e la ricchezza dei materiali. L'ebano diventa così il protagonista connotando, con personalità, lo spazio.

The executive desks are characterized by quality materials and elegant shapes. Ebony thus becomes the protagonist, endowing the space with personality.

MANAGER CHROME+WHITE CRYSTAL

Il cristallo bianco e la cromatura lucida si uniscono in un connubio di raffinata evanescenza. Cristallo bianco anche per le ante dei contenitori.

Un sistema completo che unisce nuove forme e nuovi materiali.

The white-lacquered crystal top and polished chromium-plated frame unite to form an alliance of refined evanescence. The same crystal is also featured in the glass doors. This complete system combines new shapes and new materials.

CLICK MANAGER CHROME+BROWN+WHITE

I piani si possono comporre tra di loro alternando con spessori, materiali e finiture diverse. Il piano bianco esalta, per contrasto, il sottile spessore del cristallo: un insieme essenziale e di grande eleganza.

The work tops, which are made of different materials and thicknesses, can be combined together.

The white top exalts the contrast with the slim thickness of the crystal top, thus producing an essential aggregate of great elegance.

CRYSTAL CHROME+BLACK

La leggerezza dei piani in cristallo e la perfezione di dettagli e cromature fanno di Click manager un sistema unico. I contenitori in cristallo verniciato nero risolvono con eleganza ed attualità le necessità funzionali.

The lightness of the crystal tops and the perfection of details and chromium-plated framework make Click Manager a unique system. The black-lacquered crystal containers are an elegant and up-to-date solution to functional requirements.

CRYSTAL CHROME+BLACK

Il sottile piano in cristallo verniciato nero può essere ulteriormente arricchito dal sottomano in pelle.

The slim black-lacquered crystal top can be further enriched with the use of leather desk pads.

CRYSTAL CHROME+BLACK

Click interpreta con raffinatezza, funzionalità e forte impatto estetico le esigenze del manager evoluto, attento alle tendenze del design. Le scrivanie direzionali privilegiano ricchezza di materiali ed eleganza delle forme, valorizzate da piani in essenza e finiture delle parti metalliche più nobili.

Click provides refined, functional and aesthetic answers to the needs of modern managers who care about design trends, as well as for functional workstations. Its executive desks give priority to a richness of materials and elegance of shapes, made even more attractive by the wood veneer tops and the quality finishing of the metal components.

CLICK MANAGER
ELEGANCE AT WORK

MANAGER A NEW SYSTEM

Click manager è il sistema ideale per chi vive la propria occupazione come partecipazione della propria quotidianità e decide di instaurare un legame solido con gli oggetti scelti per arredare il proprio ufficio.

Click Manager is the ideal system for workers who live their job as an integral part of their daily life and who decide to create a solid link with every item chosen to furnish their personal work space.

**CLICK EBONY
MEETING SOLUTION**

MANAGER /MEETING SYSTEM WHITE

Nuove dimensioni e nuove concezioni di spazio e design sono possibili grazie alla gamba a ponte da cm. 163. Ampi e modulari tavoli riunione creano così ambienti raffinati e funzionali.

Environments characterised by elegance and functionality result from the presence of large modular meeting tables with 163 cm long bridge legs, the availability of which provides new dimensions and new concepts of space and design.

MANAGER /MEETING WHITE+WHITE

Nuove forme, nuove finiture e nuovi materiali uniscono sapientemente design e comfort; offrendo contemporaneamente il massimo dell'ergonomia e della funzionalità.

New shapes, new finishings, and new materials are skillfully combined to create the maximum in design and comfort, ergonomy and functionality.

WHITE MEETING

CLICK MANAGER DETAILS

Essenze preziose, progettazione accurata, funzionalità e flessibilità d'impiego e attenzione ai dettagli, sempre curati, comprese le eleganti maniglie dei contenitori proposte in due esclusive versioni.

Precious wood veneer, painstaking design, functionality and flexibility of use, as well as attention to details, which are always carefully considered - such as the elegant handles of cupboards available in two different versions - are Click Manager's main features.

DATI TECNICI

TECHNICAL DATA

- Tranne laddove i codici compaiono per esteso, anteporre alle sigle sottostanti i disegni le seguenti codifiche identificanti la finitura:

U559 bianco
U570 wengé
U590 essenza ebano rosa (solo per i codici col simbolo ■)
U580 vetro laccato (solo per i codici col simbolo ●).

- In particolare i codici del vetro devono essere completati dalle seguenti estensioni, identificanti il colore: /B bianco, /N nero, /M testa di moro.

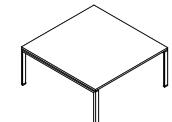

- Le gambe delle scrivanie sono disponibili nelle seguenti versioni:
Finitura bianco ad altezza fissa: (estensione .B del codice)

Finitura cromata ad altezza fissa: (estensione .CR1 del codice per scrivanie profondità cm. 60 e 100)
(estensione .CR2 del codice per scrivanie profondità cm. 123)
(estensione .CR3 del codice per scrivanie profondità cm. 163)
